Mother (Roger Waters) 6:50	Re-recorded completely with exception of guitar solo and its backing track. The lyric "Is it just a waste of time?" is replaced with "Mother, am I really dying?", which is what appeared on the original LP lyric sheet
Empty Spaces (What Shall We Do Now?) (Roger Waters) / Young Lust (David Gilmour/Roger Waters) 7:15	A full-length song which begins with the music of, and a similar lyric to "Empty Spaces". This was intended to be on the original album, and in fact appears on the original LP lyric sheet. At the last minute, it was dropped in favour of the shorter "Empty Spaces" (which was originally intended as a reprise of "What Shall We Do Now?")
Oh My God What A Fabulous Room / One Of My Turns Part 1 (Roger Waters) 1:55	Screams added and phone call removed. The phone call was moved to the beginning of "What Shall We Do Now?".
One Of My Turns Part 2 (Roger Waters) 1:38	Re-mixed; Groupie's lines re-recorded by Jenny Wright
Don't Leave Me Now (Roger Waters) 3:04	Shortened and remixed

Goodbye Cruel World (Roger Waters) 0:56	Shortened
Is There Anybody Out There? (Roger Waters) 2:26	Classical guitar re-recorded, this time played with a leather pick by guitarist Tim Renwick, as opposed to the album version, which was played finger-style by Joe DiBlasi
Nobody Home (Roger Waters) 3:10	Musically unchanged, but with different clips from the TV set
Vera (Roger Waters) 1:15	
Bring The Boys Back Home (Roger Waters) 1:21	Re-recorded completely with brass band and Welsh male vocal choir extended and without Waters' lead vocals
Comfortably Numb (David Gilmour/Roger Waters) 6:10	Re-mixed with Geldof's screams added, bass line partially different from album
In The Flesh (Roger Waters) 3:49	Re-recorded completely with brass band and Geldof on lead vocals
Run Like Hell (David Gilmour/Roger Waters) 2:19	Re-mixed and shortened
Waiting For The Worms / Stop / 5:11 AM (The Moment of Clarity) / Your Possible Pasts (Roger Waters) 2:26	Shortened but with extended coda; "Stop" re-recorded completely with Geldof unaccompanied on vocals. The first two songs are taken from The Pros and Cons of Hitch Hiking, a concept album Waters wrote simultaneously with The Wall, and later recorded solo; and The Final Cut, a 1983 Pink Floyd album. "Your Possible Pasts" was a song originally intended for The Wall that later appeared on The Final Cut

<p>The Trial (Roger Waters/Bob Ezrin) 5:23</p> <p>Outside The Wall (Roger Waters) 5:02</p>	<p>Re-mixed with longer instrumental intro, and audience cheering sounds added</p> <p>Re-recorded completely with brass band and Welsh male voice choir.
